## Moving into the New Age

Marie Felstead has done a huge amount of work preparing the website for our club. The opening of this new site will be a very exciting milestone in the evolution of our club.

From the Home Page you will be able to turn to session times, view your past results, read about the history of the club and plan your calendar for upcoming events; even this newsletter with the latest bridge club joke will be updated on a more regular basis.

I am sure the majority of club members will welcome appreciate and enjoy our website. I suggest that it is time for the rest of us to go to CPIT Computer lessons for free and update our skills so we can also enjoy the wonders of the modern world.

## New Trophy Required

The club is looking for a Trophy to be presented to the winner of Monday night's juniors pair's competition. Before the club makes this purchase the committee thought it might be a good idea to give this opportunity to a member who may wish to donate a trophy. If you are interested in putting your name in the hat please speak to our club Secretary.

## It's Party Time Again

Yes, can you believe it, Christmas is coming and already we are planning our Christmas Parties.

Monday night and Monday afternoon players will be joining together and as the result of a very one way vote (made in the greatest of secrecy) this party will be catered for.

And Wednesday nights Christmas Party will be on December the 19<sup>th</sup>, 2 days after our club Presidents birthday. Does this call for a shout? No pressure!

## Babich Pairs

Always a popular event, Babich Pairs will be held on Friday 2nd November. Card Fees \$10.00 as \$4.60 is required to be paid to the federation.

This event will be directed by Professional Director/Craig. This very popular event has always been very well supported by our club and already we have 24 pairs on the notice board.

## Just For A Laugh

We had a partnership misunderstanding. My partner assumed I knew what I was doing.

Bridge is like a hot bath. It feels good while you're in it, but the longer you stay in, the more wrinkles you get.
